**** This Module is not available for Erasmus students**

** Please note that: All classes are taught in Portuguese. Erasmus students are provided with learning materials in English and are allowed to present assignments and evaluations in English language. They are also welcome to attend classes, particularly practical classes, that involve group works, debates and presentations. An individualized work and evaluation plan is arranged with each Professor upon arrival at Egas Moniz.*

Area code 0313: Psychology (former 311 and 14.4 - ISCED-F 2013) | 180 ECTS

Teaching Language: Portuguese *
